The Interior Department officially defined "Permanent Residence" in the official Federal Regulations as follows (for implementing the Alaska Native Claims Settlement Act (ANCSA): Title 25 — Sec. 43h. 1 (K) "PERMANENT RESIDENCE" means the place of domicile on April 1, 1970, which is the location of the permanent place of abode INTENDED by the applicant to be his actual home. It is the center of the Native family

life of the applicant to which he has the INTENT to return when absent from that place. A region or village may be the permanent residence of an applicant on April 1, 1970, EVEN THOUGH HE WAS NOT ACTUALLY LIVING THERE on that date, if he has continued to INTEND that place to be his home."
